For the month of September the youth and adults will join together for a Special Series called "Life at EU". This series teaches the basic beliefs of our church and Christianity. No matter how long you have been in church it is important to get back to the basics.

Older children in 4-6th grade will also benefit greatly from this 4 week series.

CHILDREN'S CLASSES:

The children will be taught by the Men's Group - who have already gone through the series on Thursday night.
